

# MAKE AMERICA SECURE AND PROSPEROUS APPROPRIATIONS ACT

## FUNDS CRITICAL FEDERAL PROGRAMS

- Provides **\$416.3B** to **maintain critical discretionary government functions**, including law enforcement, biodefense, food safety, education, and infrastructure
- Includes **\$789.7B** for national security activities as passed by the House in July, including national defense, nuclear weapons safety and reliability, and veterans affairs

## PRIORITIZES CONSERVATIVE POLICIES

- **Rolls back burdensome, job-killing policies that prevent American businesses from growing and that negatively impact American families**, including the Joint-Employer standard, the “Fiduciary” Rule, the implementation of the ObamaCare individual mandate, harmful Dodd-Frank regulations, and the Waters of the U.S. rule
- **Protects the sanctity of life** by enforcing pro-life policies within our federal government and around the world, including the President’s expanded Mexico City Policy and the text of the Conscience Protection Act
- **Preserves Second Amendment rights**

## BILL-BY-BILL

Agriculture	\$20B
Commerce, Justice, Science	\$53.94B
Financial Services	\$20.23B
Homeland Security	\$42.76B
Interior	\$31.46B
Labor, HHS, Education	\$156.04B
State, Foreign Operations	\$35.35
Transportation, HUD	\$56.51B

## INVESTS IN PROVEN AND EFFECTIVE PROGRAMS

- **Cracks down on illegal immigration, strengthens our borders, and enforces our immigration laws**
- **Fights and prevents devastating wildland fires** by fully funding 10-year average costs
- **Continues to battle the scourge of opioid abuse** by investing in drug enforcement efforts, supporting drug smuggling investigations, and providing funding for CARA and 21st Century Cures programs
- **Promotes safe and efficient transportation infrastructure** that keeps America’s economy moving
- **Supports America’s farmers, ranchers, and rural economies**
- **Maintains a safe and healthy food, drug, and medical device supply**
- **Increases funding for biomedical research at NIH by \$1.1B above the FY17 level**

## REDUCES UNNECESSARY AND WASTEFUL SPENDING

- **Cuts funding for the EPA by \$534M below FY17 levels**—bringing the EPA budget below FY06 levels, and continuing 27% in reductions to EPA’s overall budget since 2010
- **Holds funding for the IRS below FY08 levels**—targeting funding to customer service and fraud prevention
- **Includes no funding for Planned Parenthood**, saving **\$330M** in taxpayer dollars
- **Eliminates Global Climate Change Initiative funding**, including the Green Climate Fund
- **Terminates dozens of duplicative or unnecessary programs**, including 39 programs within the Commerce, Justice, Science bill and 24 within the Labor, HHS bill, and **freezes or reduces hundreds of others**
- **Prevents any funds from being used to further ObamaCare**
